Plays Harmonica as **Doctors Remove Bullet**

BOSTON, June 26.—His own music so soothes Oscar U. Kel-ley of South Boston that he pre-ferred it to ether to-day while hospital surgeons were probing for a bullet in his thigh. When the surgeons started to put Kel-ley under the influence of the anaesthetic he objected strenu-ously. Then he called for his ously. Then he called for his harmonica, jumped upon the operating table and played gayly while the bullet was removed.

The shot was fired after a quarrel between Kelley and his stepson, Frank Tattoon.

LODGE PLANS GERMAN PEACE BY KNOX-PORTER COMPROMISE BEFORE INDEPENDENCE DAY

WASHINGTON, June 26 .- To have the United States technically at peace by July 4, Independence Day, appears to be the aim of Republican leaders in Congress in charge of the Knox-Porter peace

Senator Lodge, chairman of the Senate and House conferees or the resolutions, returned to-night from Massachusetts prepared to renew negotiations early this week, probably on Tuesday

Early agreement on differences between the Senate and House resolutions is predicted by the Republican conferees, who are expected to reach a compromise basis before calling in the Democratic con-

The compromise most widely discussed would mould a part of each of the Knox and Porter resolutions into a new conferees' draft, taking the Porter plan for declaring a state of peace instead of re pealing the war resolutions, as proposed by the Knox resolution It is believed the conferees will adopt the Knox reservations as

American property rights and other features of the Knox plan. It is hoped to have the conference report completed and if possible adopted by both Senate and House before they recess for the

Conway played basketball and base-ball for Erasmus. He is credited with being popular with his schoolmates. His father told Magistrate Walsh that he was inclined to the opinion that his son was at least temporarily demented at the time of the alleged housebreaking. "He's the very last youngster you'd expect to see charged with all this," said conway, senior. Then turning to his son, the father said:
"Jimmy this is hard to believe. When to Mr. De Valera as the responsible head of the National movement. A majority of the other leaders in that movement either are in prison or on the run. Naturally, their opinion must be ascertained, and if Mr. De Valera desires to confer with them the Government cannot refuse their release.

"The six counties are to be openly and

fully represented at the meetings. To discuss the Premier's letter similar freeson, the father said:

"Jimmy, this is hard to believe. What happened to you?"

"I don't know, Dad," replied the boy. "Honestly, I don't. I don't remember a thing after 8 o'clock last night."

When young Conway left home he took a small hand bag containing his bething suit and other things he might need for a week end at camp. When Patrolman Glesson captured him he still had the bag and all its contents.

discuss the Prender's letter similar freedom must be granted as a matter of right to the men who speak for the Irish people. If the Government means business, they will act frankly and boldly, turning a deaf ear to counsellors who meditate double dealing. We are confident also that Mr. De Valera and his colleagues will view the problem in its broad aspect."

The Government expects to withdraw all troops from the northern six county area as soon as Sir James Craig's Government speak for the men who speak for the prish people. If the Government means business, they will act frankly and boldly, turning a deaf ear to counsellors. We are confident also that Mr. De Valera and his colleagues will view the problem in its broad aspect."

area as soon as Sir James Craig's Gov-ernment is firmly functioning. That will place the policing of 400,000 Cath-olics in that area in the hands of what is practically the reincarnation Edward Carson's army of 1914.

By the Associated Press.

DUBLIN, June 26.—After a day of conferences with colleagues in connection with Premier Lloyd George's letter Eamonn de Valera made no statement

cardinal Logue, Frimate of Ireland, said he could not see much use of a conference between Sir James Craig and Mr. de Valera, but as the Government also was involved there might be some hope, although it would be desirable for the Government to release from prisor moderates like Arthur Griffith, founder of the Sin Fein.

Millions Now Thrown Away on Useless Items Jammed Into Measure to Curry Political Favor.

a single item in an appropriation bill (Iowa). He has announced that he will propose such a measure. It will require an amendment to the Constitution, which he is now preparing to

introduce. The same idea has found favor in (Illinois). Both these officials have stated they favor it in the interest of governmental economy

In explaining the situation to THE New York Herald as he sees it Sena tor Kenyon said:

"There are at least three well recognized weaknesses that have a strong hold on Congress and are prosupposed they had not gone to bed. The rolling, so called, which means theory has been advanced that sudden briefly that votes are traded between so called, which means groups of men 'n Congre otherwise might not be approved through here session after session That means that a drugged or clubbed to itself would be beaten, and therefore A five the necessary funds for running the

"The third vice, similar in principle sible that none of eleven persons in this name is legion. Public building bills, which the public is fairly familiar are IN FEUD OVER POLITICS often put through. A few of the items in the measures may be deserving o recognition, but in the majority of

items they ought never to be approved. "Confronted with any one of them devices, the Chief Executive is left with but two alternatives-either to veto the whole bill and therefore cripple Governmental agencies, or, on the other hand, approve the whole bill

f his automobile.

The victim was driving through the bad situation. The President should unday afternoon crowds in the Italian have power to veto single items and at firmly believe that in the course of the history of appropriations the three things I have mentioned have led to the ex penditure of a larger sum in the aggres ping the wheel, the car continued on its course for fifty feet, suddenly swerved and then wrecked itself against the curbing and a telegraph pole.

penditure of a larger sum in the aggregate than this country spent for war purposes prior to the unheard of appropriations of the world war. These, of

course, must be excluded

"I realize that the machinery for amending the Constitution is slow Congress and then be approved by tw thirds of the State Legislatures. But if the people themselves, their representatives in the States, and their representatives in Senate and House realize that they have a weapon by which they can beat down the cost of government and

dent to veto single items in appropriation bills without destroying the entire measure can be accomplished.

"The time to work for it is now. in advance of coming Senatorial, Congressional and State elections, when officials likely to be responsive to public senti-ment, which, after all, is the 'power be-hind the throne.'"
